Crop Chronicles is a chaotic time-management farm adventure where each level challenges you with completing orders under tight deadlines, demanding teamwork and quick thinking. Whether you're playing alone or with friends, you'll need to work together and think fast to satisfy your customers.

GAME OVERVIEW

What is?

- Crop Chronicles is a chaotic time-management farming game for up to 4 players.
- It's a unique blend of Overcooked and Stardew Valley.
- This is not your typical cozy farming game!

Key elements

- Couch co op Multiplayer.
- Chaotic challenges .
- Time base levels.
- Replayability.
- Pixel art.

VERSUS MODE

What is?

Challenge your friends to a 1v1 or 2v2 match to find out who the ultimate farmer is!

CAMPAIGN MODE

What is?

- Explore a variety of level types: fish at the beach, produce wine or honey, catch chickens, milk cows and more
- Earn a minimum number of stars to unlock new paths and progress through the game.
- Enjoy the fun with up to 4 players!

Discover special levels

- Enjoy an exciting post-game experience we've added to keep the fun going.
- Look forward to more unique levels coming in future updates – for free!
